

this proceeding; to clarify the estate taken for RGC-2032; and, to add as defendants all parties who may have an interest in the land acquired as a result of a title examination. Additionally, the United States filed its Amended Complaint (Docket No. 19) and Amended Notice (Docket No. 21). The United States filed waivers of service for Alicia Chapa (Docket No. 22), Nora Chapa (Docket No. 23), Edna Chapa Moreno (Docket No. 24) and Petra Chapa Ramirez (Docket No. 25). The United States also filed a Notice of Disclaimer executed by Gulf Energy Pipeline, LLC (Docket No. 26) who was subsequently dismissed by the Court (Docket No. 27).

The United States has communicated with the attorney for BHP Billiton Petroleum (Americas), Inc. and is awaiting a response on whether BHP Billiton Petroleum (Americas), Inc. will sign a disclaimer. The United States anticipates filing a motion to dismiss The Altex Energy Corporation, successor in interest to the Altex Corporation prior to the Court's status conference set for November 15, 2018. The United States needs to determine if Defendants Sylvia Chapa Flores and Texas Comptroller of Public Accounts have an interest or will sign a disclaimer. It appears that this tract of land may be further affected by future acquisitions should Congress appropriate additional funds for border infrastructure in fiscal year 2019. Thereafter, the United States intends to file a motion to close the case on the Court's docket.

Respectfully submitted,

RYAN K. PATRICK

Southern District of Texas
